July 13, 2021
6:00 PM online via Teams

Meeting held the usual second Tuesday of the month

Attendance (virtual, via Zoom): Cory Sparling, Corrine Crowley, Pat Rhatigan, Daniel Chen, Garrett Fenton

Updates from basketball community and follow up – Cory Sparling

- Coaches committed for the upcoming season: Chevy, Kendrick, Caleb, and Terrance. We will need to hire at least one more.
- Summer training: Eastside Basketball Club is interested in partnering, and doing the heavy lifting on a summer program, perhaps in August. We may be able to leverage Chevy and Kendrick for pre-tryout programs/trainings as well. More discussions/planning is needed around logistics, reserving outdoor courts, etc.

Treasury Update – Cory Sparling

- Cash position: \$19,757.69 balance.
- Cory will pay insurance premiums shortly, and already paid Team Snap invoice.
- The Board discussed the need to find a candidate to fill the Treasurer position, and other open board seats, and the possibility of sending a communication to 2019-2020 families in an effort to recruit candidates.

Team Snap Update – Daniel Chen

- Daniel presented a draft mockup for the new NSBBC website. The goal is to “go live” by the end of July 2021, with up-to-date content (including registration link).
- The Board discussed possible enhancements to the website, including adding logos and a team store.

Additional Action Items

- Cory will invite Kendrick to future board meeting(s).
- Cory will gather additional information and action items to reinstate 501(c)(3) status, and follow up with Garrett.
- We will need to change bank accounts/signatories, but likely not until after appointment of a new Treasurer.
